Schedule #2—Required Attachments and Provisions and Assurances

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 3: Program-Specific Provisions and Assurances☒ I certify my acceptance of and compliance with all program-specific provisions and assurances listed below.

#	Provision/Assurance
1.	The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this grant will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
2.	The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
3.	The applicant provides assurances that they will continue to meet all Statutory Requirements as outlined in their 2017–2018 Perkins Formula Grant incorporated by reference.
4.	The applicant assures that its ability is to meet the 20% match requirement.
5.	Applicants applying for Focus Area 1, 2, or 3 provide assurance that the curriculum they develop will be appropriately aligned to marketable skills in the identified high-demand occupations. It may include industry recognized credentialing as part of the degree plan.
6.	Applicants applying for Focus Area 1, 2, or 3 provide assurance that the development and implementation of industry experiences, including mentorship programs, internships, externships, and/or apprenticeship, will expose students to applied learning and real-world work activities in the identified high-demand occupation(s).
7.	Applicants applying for Focus Area 1, 2, or 3 provide assurance that, within 90 days of the grant start, awarded applicants will submit a Memorandum of Understanding (MOU) detailing the relationship between the dual credit partner, the LEA, and business and industry partner(s).

Schedule #4—Request for Amendment

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 1: Submitting an Amendment

This schedule is used to amend a grant application that has been approved by TEA and issued a Notice of Grant Award (NOGA). **Do not submit this schedule with the original grant application.** Refer to the instructions to this schedule for information on what schedules must be submitted with an amendment.

An amendment may be submitted by mail **or** by fax. Do not submit the same amendment by both methods. Amendments submitted via email will not be accepted.

If the amendment is mailed, submit three copies of each schedule pertinent to the amendment to the following address: Document Control Center, Grants Administration Division, Texas Education Agency, 1701 N. Congress Ave., Austin, TX 78701-1494.

If the amendment is faxed, submit one copy of each schedule pertinent to the amendment to either of the following fax numbers: (512) 463-9811 or (512) 463-9564.

The last day to submit an amendment to TEA is listed on the [TEA Grant Opportunities](#) page. An amendment is effective on the day TEA receives it in substantially approvable form. All amendments are subject to review and approval by TEA.

Part 2: When an Amendment Is Required

For all grants, regardless of dollar amount, prior written approval is required to make certain changes to the application. Refer to the "When to Amend the Application" guidance posted in the Amendment Submission Guidance section of the Grants Administration Division [Administering a Grant](#) page to determine when an amendment is required for this grant. Use that guidance to complete Part 3 and Part 4 of this schedule.

- ☐ Focus Area 4: Testing Site/Licensed Instructor

Iowa Park High School will use grant funds to enhance the existing Health Sciences program. The Health Science program was established in 2010 and is coordinated with Vernon College. The Health Science program is a three year program. Tenth grade students enroll in Principles of Health Science where they explore different careers in health care. Eleventh and twelfth graders have the opportunity to take Health Science Theory and Clinical Health Science. While in this class, students have the opportunity to earn their Certified Nurse's Aid (CNA) certification as well as their CPR certification. Students receive clinical practice at local specialized geriatric and long-term care facilities. The senior year consists of taking Licensed Vocational Nursing (LVN) courses that will transfer to the Vernon College LVN program. In 2010, the school was given used equipment from a local hospital for the start-up of the Health Sciences program. Since then, the program has maintained capacity enrollment. In order for students to receive the best training, they need more advanced equipment. The program has proven sustainability. In almost seven years, only one student did not pass all components of the CNA certification assessment. The vast majority of students complete the LVN program at Vernon College upon graduating from Iowa Park High School. Students have the knowledge and skills to go beyond the LVN program, but many stop at LVN. Exposing students to state-of-the-art hospital facilities and college campuses with state-of-the-art training programs along with their own upgraded equipment within the program in order to more appropriately simulate a hospital would continue to enhance the program in a high demand area in the job market. In recent years, the Health Science students have participated in Skills USA where they have advanced to the National level. The district would like to expand opportunities in the Skills USA leadership program for our students.

Schedule #13—Needs Assessment

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 1: Process Description. A needs assessment is a systematic process for identifying and prioritizing needs, with "need" defined as the difference between current achievement and desired outcome or required accomplishment. Describe your needs assessment process, including a description of how needs are prioritized. If this application is for a district level grant that will only serve specific campuses, list the name of the campus(es) to be served and why they were selected. Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

Since 2010, when the health sciences program began, enrollment has grown to capacity and has not shown any signs of slowing down. At the beginning of the program, the school only put around \$6000 in the budget for supplies. A local hospital was closing down and donated patient beds and furniture. Each year, the program has about \$2500 to spend on supplies. They do not have enough in the budget to allow for upgrades or additions to the furnishings. The classroom only has two patient beds. Since the enrollment has doubled in the program, the furnishings and resources need to double. Also, students need more practice on different types of patient issues. The students have been successful at the LVN level, however, the school would like to provide the opportunity for students to gain skills and knowledge beyond the LVN level by utilizing more advanced equipment for real-life scenarios in the practicum. Our goal as a small district is to provide a program experience just as any large school would provide for their students.

Schedule #13—Needs Assessment (cont.)

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 2: Alignment with Grant Goals and Objectives. List your top three to five needs, in rank order of assigned priority. Describe how those needs would be effectively addressed by implementation of this grant program. Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

#	Identified Need	How Implemented Grant Program Would Address
1.	Equipment and supplies for the health sciences program need to be updated.	The grant funds would allow for more up-to-date equipment and supplies for the health sciences program.
2.	Students need more opportunity for real-life simulation in the classroom.	The grant funds would allow for the purchase of more realistic manikins and hospital environments for students to practice skills thus increasing passing rates on Certified Nurse's Aide certifications and LVN courses.
3.	Students need to have the opportunity to gain experience beyond LVN to give them a glimpse of what they could do at the RN level. Our students have the ability to go beyond the LVN level, but many stop there.	The grant funds would allow LVN students to practice skills above the LVN level and would give them the opportunity to practice more RN level skills.

Schedule #14—Management Plan (cont.)

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 3: Feedback and Continuous Improvement. Describe the process and procedures your organization currently has in place for monitoring the attainment of goals and objectives. Include a description of how the plan for attaining goals and objectives is adjusted when necessary and how changes are communicated to administrative staff, teachers, students, parents, and members of the community. Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

Currently, our students take the Certified Nurse's Aide certification test at the end of their junior year. The school allows for them to re-take the test until school is out. If students do not pass the test before school is out, they have to go on their own to take it. The school would like to continue assisting students through the summer months to fulfill their assessments. Also, currently, the school does not have a solid plan for assisting students to get into the LVN program at the local college upon completion of the dual credit LVN courses. The school would set aside time during the school day to ensure each student has applied for the program and enrolled in the program upon acceptance.

Part 4: Sustainability and Commitment. Describe any ongoing, existing efforts that are similar or related to the planned project. How will you coordinate efforts to maximize effectiveness of grant funds? How will you ensure that all project participants remain committed to the project's success? Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

Schedule #15—Project Evaluation

County-district number or vendor ID: 243-903

Amendment # (for amendments only):

Part 1: Evaluation Design. List the methods and processes you will use on an ongoing basis to examine the effectiveness of project strategies, including the indicators of program accomplishment that are associated with each. Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

#	Evaluation Method/Process	Associated Indicator of Accomplishment	
1.	Certified Nurse's Aide test	1.	Percentage passing first time
		2.	Percentage passing re-take
		3.	
2.	Enrollment in LVN program	1.	Percentage applying for LVN program at college level
		2.	Percentage accepted to LVN program at college level
		3.	
3.		1.	
		2.	
		3.	
4.		1.	
		2.	
		3.	
5.		1.	
		2.	
		3.	

Part 2: Data Collection and Problem Correction. Describe the processes for collecting data that are included in the evaluation design, including program-level data such as program activities and the number of participants served, and student-level academic data, including achievement results and attendance data. How are problems with project delivery to be identified and corrected throughout the project? Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

Data will be collected on the passing rate of students taking the Certified Nurse's Aide assessment. The health science teacher will look for a correlation between students failing the assessment and their attendance and academic data. If extra assistance or services are needed for remediation. The teacher will identify those and find necessary resources and assistance.

The health sciences field is at the top of the list in need. In Wichita County, Certified Nurse's Aides and LVNs are constantly needed. The local development in the area has given resources to our students about where they can apply and has been supportive in assisting our students in that endeavor. 100% of our CNA students who have applied for a job in healthcare after completing the CNA certification have gained active employment in a senior living center, a hospital, a clinic, or in a residential location.

Iowa Park CISD in coordination with Vernon College have developed a program that is aligned to lay the ground work for students to transition from the high school to the college. The courses are aligned to Vernon College courses, and Vernon College textbooks are used as the curriculum. There is not cost attached to the courses because Vernon College recognizes them as Continuing Education courses until students enroll in Vernon College. At that time, the students receive credit for the courses.

The school will continue offering a comprehensive basic dual credit program as well as a health science program that is aligned with Vernon College. The teacher will keep parents informed and continue to provide opportunities for students to apply for college and gain advanced knowledge through the use of updated curriculum and equipment. The district is dedicated to the success of the health sciences program because it has seen the power of it for students. Many students who have completed the program and have gone on to obtain their LVN have stated that they would not have gone to college or gained a skill without the program at Iowa Park High School. Data collection and continued progress monitoring will be done by the teacher, counselor, and principal.
